ALMA MATER

We salute thee, Alma Mater, we salute thee with
a song,
At thy feet our loyal hearts their tributes lay;
We had waited for thy coming, in the darkness
waited long,
Ere the morning star proclaimed thy natal day.

Thou hast come through tribulation, and thy
robe is clean and white,
Thou art fairer than the summer in its bloom.
Thou art born unto a kingdom, and thy crown
is all of light;
Thou shalt smile away the shadow and the
gloom.

In thy paths the fields shall blossom and the
desert shall rejoice,
In the wilderness a living fountain spring;
For the blind shall see thy beauty, and the deaf
shall hear thy voice,
And the silent tongues their high hosannas sing.

Where the rhododendron blushes on the burly
mountain's breast,
In the midland where the wild deer love to
roam,
Where the water-lily slumbers while the cypress
guards its rest,
Lo, thy sunny land of promise and thy home.

Where the sons of Carolina taught a Nation to
be free,
And her daughters taught their brothers to be
brave;
O'er the land of peaceful plenty, from the high-
lands to the sea,
May thy banner, Alma Mater, ever wave.

STUDENT GOVERNMENT DEPARTMENT

Student Government means all the Meredith girls, with a real Meredith sense of honor, working together to make Meredith the best college possible.

The Honor System is the basis of our policy. This means, in its application to the conduct of its members, that each girl is to be trusted to observe all the laws of the Student Government Association. These laws are made by the students themselves, and approved by the faculty. As long as a student is a member of the Association it is expected that she feel not only a personal responsibility in abiding by them, but a responsibility to the community, seeing to it that her fellow-students live up to the same standard of honor.

It is only through the spirit of co-operation that any system of self-government can rise to an ideal plane of efficiency.

The spirit of the Student Association is the real college spirit, and a loyal student spirit means not only a co-operating student organization, but clean athletics, an enthusiastic Y. W. C. A., and a working literary society. The success of any organization in college depends on the attitude of the girls toward the Student Government Association. We must work together for the common good of all before we can work in groups in smaller organizations. The Student Government encourages loyalty to all organizations, promptness in all duties, and a spirit of love and friendship among the girls.

Each member of the Student Government is therefore bound to uphold them as long as they stand. It is understood that the maintenance of these regulations is a matter of personal honor.

Students are under the college regulations from the time they reach Raleigh until they take the train to leave Raleigh, or until they have received permission from the Dean of Women to visit in the city at Christmas vacation or at the close of the session.

If any girl so conducts herself as to bring discredit upon Meredith, she may be dealt with by the Executive Committee, although there be no existing rule to cover the exact circumstances of the case.

ORDER OF CLASSIFICATION

1. Go to the President's office and register.

2. Then go across the hall to the Bursar's office and pay your matriculation fee of twenty-five dollars, which is necessary before you can be classified.

3. In return for this the Bursar will give you a receipt, which you must carry with you to the Dean's office, where you will be classified.

4. Unexcused absence will entail lowering of grade. Students will arrange with their instructors about making up work missed.

5. Students will receive zeros for cutting the last recitation in subjects before a holiday, and the first after a holiday.

6. Students may not miss class work or private lessons, or change them from one day to another, to make visits.

7. A student may not drop a subject or change her course without written permission from the Dean.

8. Students are required to take examinations in all subjects pursued during a semester.

9. Students may not take part in plays or other entertainments without the permission of the Dean. Ordinarily, permission will not be given to those who are not making grade, or who have more than sixteen hours of work per week.

10. A student failing to pass on at least eighteen semester hours in any given school year will not be allowed to return for the next session, whether her failures be due to unpreparedness or to indifference to studies. She will not be allowed to return for the spring semester unless she has passed on at least three hours of work during the preceding fall semester.

11. Permission to practice plays or hold meetings of any nature, during study hour, is granted only by the Dean of Women.

12. Students whose names appear on the delinquent list will be deprived of social privileges at the discretion of the instructors concerned and the Dean of Women.

13. For out-staying their leave, without proper excuse, or for any other irregularity in connection with week-end visits, students will be deprived of future week-end privileges, at the discretion of the Dean of Women. If it is the last week-end, the case will be acted upon by the Faculty.

14. An absence from any College duty just preceding or following a holiday will mean more than an unexcused absence and will be acted upon by the Faculty.

2. Under no circumstances do proctors excuse students; therefore, do not make such requests of them. Make these requests of the Head Proctor.

5. All students taking as much as two hours of practice are required to attend the student recitals on Thursday afternoons; any other

music student not having the equivalent of fifteen hours of work a week will be required to attend. An unexcused absence from recital will count as an absence from regular practice.

7. Three unexcused absences from practice during any quarter causes loss of privileges for a month for those practicing from one to two hours a day.

Four unexcused absences from practice during any quarter causes loss of privileges for a month for those practicing three or more hours a day.

In all cases two tardies count as one absence; leaving practice rooms without permission for visiting or other purposes will count as a tardy.

book may be recalled by the librarian when needed in the Library.

Books must not be taken from the Library until they have been charged at the desk.

A fine of ten cents an hour will be charged for each hour a reserved book is kept over time.

Fines not paid within a week from the date when the fine list is posted will be increased ten per cent.

When you are through using books in the Library, leave them on the tables. Do not return them to the shelves.

All books taken out of the Library must be returned to one of the Library assistants or left on the desk, not left on the tables.

Students found with missing library books in their possession will be subject to a penalty of two demerits for the first offense, and five demerits if the offense is repeated.

Students mutilating library books, magazines, or papers will be penalized by the Faculty on recommendation of the Library Committee.

Students creating disorder or disturbance in the library will be subject to call-downs for each offense.

GREETINGS TO '29

Greetings to the new Odd class—

Hurrah for Twenty-nine!

We just can't wait to see you—

We know we'll like you fine!

We'll comfort you when homesick,

And make college seem like heaven—

Here's to you, dear young Twenty-nine,

From dear old Twenty-seven!

**YOUNG WOMAN'S CHRISTIAN
ASSOCIATION**

MOTTO

"Not by might nor by power, but by My Spirit, saith the Lord of Hosts."

GREETING

Through these pages we extend a most hearty welcome, in the name of the one for whose glory our Association is founded, to all students entering Meredith this fall. It is the earnest prayer of the committee that the Association not only be a blessing to you, but also that you may be a blessing to the Association.

*"I will lift up mine eyes unto the hills, from whence cometh my help. My help cometh from the Lord, which made heaven and earth."—*Psalm 121:1-2.

BLUE RIDGE SONG, 1924

Blue Ridge—mighty are thy mountains,
 Lofty peaks so high
Make us feel we're nearer
 To the sapphire sky.
Sky—serene, so blue, so wond'rous
 Arched above the sod
Make us come e'en closer
 And nearer to our God.

We are gathered here together
 With a common aim—
To learn to serve the Master—
 To praise His Holy Name.
And perhaps we may tell others
 Groping in the night,
Something of God's Mercy
 And help them to the Light.

Light of Lights—be with us
 While we're gathered here;
May we feel Thy presence
 Always ever near.
When from Blue Ridge we have journeyed,
 Father, guide our way;
Lead our footsteps onward,
 To the Eternal Day.

MISS ANNIE LEE WHITE
MISS MARY FRANCES WELCH

DEPARTMENTAL WORK

THE UNDERGRADUATE REPRESENTATIVE

MINNIE HERRIN

The Undergraduate Representative is the "connecting link" between the local association and the National Y. W. C. A. It is her duty to interpret to the cabinet and local association the purpose and work of the National and International organizations with which it is affiliated.

She is also the representative of the National Student Department on her own campus, and is responsible for carrying out the actions of the National Student Assemblies.

She is an ex officio member of each committee, and does in a general way all she can to make the work of the local association broad and far-reaching. It is also her duty to direct Bible study and discussion groups in the Y. W. C. A.

FINANCE DEPARTMENT

MARGARET HENDERSON, *Chairman*

This department has charge of the finances of the Y. W. C. A., and keeps a systematic account of all receipts and expenditures. A departmental budget system has been worked out, and has been used since 1923. From this summary some idea may be gained of how the associational money is spent.

This budget includes money given in, and sent out in every phase of Y. W. C. A. work.

MEMBERSHIP DEPARTMENT

MARY HERRING, *Chairman*

It is the purpose of the Membership Department of the Young Womans Christian Association to help the girls to link themselves up with that organization in such a way as to make its purpose one of fellowship. At the beginning of the fall term the girls of this Department have charge of the Information Bureau, and are very desirous to make the new girls feel at home. It is only through the co-operation of every girl that our College Y. W. C. A. can reach the heights of our expectations. "United we stand, but divided we fall." We need you, girls!

RELIGIOUS WORK DEPARTMENT

AUGUSTA ANDREWS, *Chairman*

The work of the Religious Department is carried on through committees. These are: the Program Committee and the Music Committee.

It is the work of the Program Committee to arrange the programs for the regular meetings on Sunday. The purpose of this committee is to make real to the students of Meredith College the purpose of the Young Woman's Christian Association through these programs. Speakers are selected from the student body, faculty or from outside sources. The programs are interesting and helpful in every-day Christian life.

The Music Committee has charge of the choir for each religious meeting. It also arranges for any special music or musical programs.

PUBLICITY DEPARTMENT.

MARGARET HAYWOOD, *Chairman*

The work of the Publicity Department is carried on through committees, namely: the Bulletin Board Committee, the Library and Publication Committee, and the Poster Committee. The Y. W. C. A. editor is also a member of this department. Her business is to give Y. W. C. A. items of special interest to the local papers and to the College publications.

The Bulletin Board Committee keeps the girls informed concerning College happenings, current events, and Y. W. C. A. interests, by clippings and announcements, which are placed on the Y. W. C. A. bulletin board.

The Poster Committee, by means of attractive posters, announces the various Y. W. C. A. meetings and any other Y. W. C. A. functions in which the College is interested.

The Library and Publications Committee receives the Y. W. C. A. magazines, reads them, and calls attention to the best articles. These magazines, and a few good books, are kept in the "Y" Room, for the use of all the girls. These books and magazines are taken care of by the Library and Publications Committee, which also has charge of the current event section of the Y. W. C. A. Bulletin Board.

In short, the Publicity Department is the information bureau of the campus, and any member of it will be glad to give any information that they can to new students.

SOCIAL STANDARDS DEPARTMENT

ALICE G. HUNSUCKER, *Chairman*

The purpose of the Social Standards Department is to uphold the social principles of Christ as applied to college life, to arrange for all social functions of the organization, and to act as hostess to any guest of the Y. W. C. A. who may visit the College.

The Blue Ridge Committee, which is included in this department, is appointed primarily to create interest in the summer conference at Blue Ridge. Its members have charge of the entertainments, teas, and the Christmas bazaar, which are given in this cause.

SOCIAL SERVICE DEPARTMENT

Chairman to be elected

The purpose of the Community Service Department is, as the name implies, Service.

The members of the Y. W. C. A. are all taken into this work, and are divided under the Committees of On Campus, and Off Campus workers. The On Campus Committee endeavors to invite the girls through a spirit of fellowship in Christian service in the College community work. The Off Campus Committee endeavors to go beyond our College community and do real Christian service wherever possible.

It is also the duty of the committee to keep the student body as a whole in touch with all current social movements, in order that the work of the community may be in harmony with that of the world.

YOUNG WOMAN'S AUXILIARY

Y. W. A. MOTTO—Daniel 12:3: *"They that be wise shall shine as the brightness of the firmament, and they that turn many to righteousness as the stars forever and ever."*

THE Y. W. A. IDEAL

Our Auxiliary stands for:

Prayer and the study of God's Word.

Study of God's work in His world and the advance of His Kingdom.

Giving thought, time and means to hasten the day when all men shall know Him.

Temperance in thought, word and deed and for the great cause of temperance in public and social life.

Christian observance of the Sabbath.

Consideration, gentleness and Christian responsibility for the "other young woman" with whom we come in contact on our campus, in our homes, our communities, and to the ends of the earth.

Christian womanhood which will maintain for itself and inculcate in others the highest standard of private and public integrity.

A determination to give no offense in dress, personal appearance, speech or deportment, nor in any way to shadow the purity and beauty of the Christlike character.

OUR Y. W. A. AT MEREDITH

The Y. W. A. of Meredith College is just like the Y. W. A. of your home church, except that

it works on a larger scale. This organization welcomes you to Meredith College wholeheartedly. She wants you to become a live part of her aims and ideals. Let your relationship to your College Y. W. A. be merely a transitional step from the one you love in your home church.

The Y. W. A. yearns to help Meredith girls to be of greater service to the Baptists of North Carolina, who have so nobly made Meredith's past a blessing and are striving to make her future a greater blessing. With the coöperation of every girl and with God as our Shepherd this will not remain a longing, but will become a reality.

The Y. W. A. is willing to coöperate in any way it can with the interests of the Y. W. C. A., but wishes to be recognized more as a separate and distinct organization.

Two Sunday night vesper services a month are given under the auspices of the Y. W. A.; one program is of missionary character, the other devotional or of special campus interest. Baptist girls have an opportunity to continue giving to the special interests of her denomination, such as Orphanage, Lottie Moon Christmas Offering, and Hospital. A special interest of the Y. W. A. is its participation in contributing to the "Sisterhood Special," a fund given by the College Y. W. A.'s of our Southland to help worthy and capable European girls to study at our own W. M. U. Training School, that they

may go back to their own people prepared to give themselves with their Message. Interesting mission study classes are held at a convenient time during the year and each girl is urged to take advantage of this opportunity. We take an active part in a Good-Will-Center in one of the nearby mill districts of Raleigh. For the past two years our Meredith Y. W. A. has easily attained the Standard of Excellence, becoming an A-1 College Y. W. A. For 1925-26 our tasks are big and definite, our aims are high. We shall count on each Meredith girl to do her part in making their completion and realization possible. "He shall be our Shepherd and He shall lead us."

THE STUDENT VOLUNTEER BAND

MINNIE HERRIN.....	<i>Leader</i>
MARGARET HENDERSON.....	<i>Assistant Leader</i>
NANCY WOODS.....	<i>Secretary-Treasurer</i>

The Student Volunteer Band consists of students who have decided definitely to do mission work in foreign fields, and have signed the dedication card of the Student Volunteer Movement, which reads as follows: "It is my purpose, if God permits, to become a foreign missionary." The movement, as the name implies, is limited to *students*, and to such students as are planning to do foreign mission work.

The Band has one meeting each week, on Friday evening, from 6:45 to 7:45, to discuss

current mission news and problems. Occasionally an outside person speaks to the Volunteers.

We are looking forward with real joy and hearts full of prayer to the arrival of the class of '29 at Meredith. Our supreme desire is that He, the Great Missionary, shall call many to carry His gospel to the uttermost parts of the earth, and that they shall answer: "Here am I, Lord, send me."

B. Y. P. U.

MARGUERITE HARRISON, *Chairman*

The purpose of the B. Y. P. U. is two-fold: To minister to and develop the spiritual nature of girls, and to train them for active service in their home churches. Through the B. Y. P. U. they are trained in devotion, doctrine, Bible study, and missions. Thus they come to a better understanding of denominational work, and go back to their homes with added efficiency.

For the past years the B. Y. P. U. has been organized in four sections, each named for a Meredith alumna on the foreign field—Rosa Hocutt, Foy Willingham, Celia Herring, and Pearl Johnson. This year another section is to be organized, named for a former Dean of Women, Evelyn Campbell, under whose leadership the first B. Y. P. U. at Meredith was organized. Each division meets separately every Wednesday evening, unless a general meeting is called by the Head President. Thus they are kept in close touch with each other, though they are

distinct. The foremost aim of the organization is to enlist every girl in the work for Jesus Christ and to strive to maintain the Standard of Excellence.

THE CABINET POLICY

Purpose of the Association:

a. To lead students to faith in God through Jesus Christ.

b. To lead them into membership and service in the Christian Church.

c. To promote their growth in Christian faith and character, especially through the study of the Bible.

d. To influence them to devote themselves in united efforts with all Christians to making the will of Christ effective in human society, and to extending the Kingdom of God throughout the world.

Aim of the Cabinet:

To carry out the purpose of the Association by endeavoring:

1. To bring every girl into fellowship work.

2. To live unreservedly Jesus' Law of Love in every relationship, and so to know God.

3. To eliminate pernicious campus gossip.

4. To stand for a higher standard of honor in both obligations and class room relations, co-operating individually and as a cabinet with the Dean of Women and the Student Council.

5. To meet every Sunday for counsel and definite prayer, and every Thursday night at 9:30 for prayer and discussion of work.

6. To seek to develop a spirit of initiative and a greater sense of responsibility among our College women.

7. To deepen the spiritual life of each girl individually, by prayerful, personal work, and by devotional meetings on Sunday evening in the chapel.

8. To spend part of each day in real prayer and faithful Bible study.

9. It shall be the duty of each member as committee chairman to broaden her horizon by:

a. Keeping in touch with the outside world through the reading of periodicals.

b. Informing herself of the national work through the reading of *The Woman's Press*.

10. To give written monthly reports to the Secretary, and to keep careful records of all work for the help of the new Cabinet.

11. To study campus, community, national, and international problems in the light of Jesus' Law of Love.

12. To make our life purpose the purpose of this association, and let it be foremost in our lives.

WHY YOU SHOULD JOIN THE YOUNG WOMAN'S CHRISTIAN ASSOCIATION

To you who are entering College this fall for the first time, let us say a few words about why you should join the Y. W. C. A.

In the first place, you should begin your College life by identifying yourself with the Christian work of the school, for in this way you are brought under the best influences of the College course.

A girl's character is formed before her College course is ended. In the moulding of your character, do you wish to leave out Christ? Be sure, then, that you join the Y. W. C. A. at the beginning of your course, and thereby seize the opportunity for the development of your spiritual life.

You need spiritual inspiration as well as intellectual inspiration.

You are given a wonderful opportunity for serving Christ by winning for Him the lives of those who have never known Him.

In joining the Y. W. C. A. you are becoming a part of a world-wide student movement, which has for its members the strongest and most earnest students all over the world.

"HINTS TO THE WISE"

Come early and avoid the rush.

The different religious organizations on our campus are uniting in welcoming you to Mere-

dith. Look out for Y. W. C. A., Y. W. A., and B. Y. P. U. badges at the station.

Listen for the call of the night watchman, if you come on a night train.

Register as soon as possible after you arrive.

After you register, go to the adjoining room, over the door of which *Information Bureau* will be printed in large letters, for any information.

Those wearing the above signified badges will gladly give you any assistance they can during the days of classification.

Writing materials and all such incidentals may be purchased at the "Y" Store.

Ask the former students any time. They are always anxious to help you.

Bring pillow cases, sheets, blankets, dresser and table covers with you. Your material for curtains had best be bought here, so you will have no trouble in fitting your windows. But this is not all. Every college girl wants an attractive room. So bring your sofa cushions, pictures, mottoes, and all those little fixings which add so much to a room. Remember that you will be here for nine months, and you certainly will enjoy life more in a cheerful room.

Somebody is more homesick than you are. Try to forget that you are lonely and do something for that other girl.

The three bulletin boards—the official bulletin board, near the Chemistry laboratory, the Student Government bulletin board, next to the mail boxes, and the Y. W. C. A. bulletin board,

at the entrance to Faircloth Hall, are very important. Watch them.

Remember to patronize the firms that advertise in our publications. "Turn about is fair play."

The library is for quiet study. If you talk, it misses its purpose.

At twilight, when you feel the "blues" coming on, make a rush for the Y. W. C. A. room—No. 2, first floor, East Building. The "blues" can't exist there at any time—day or night.

When you want to cook, sign up for the "Y" kitchenette.

CHURCHES

There are Baptist, Methodist, Presbyterian, Episcopal, Catholic, Christian, and Lutheran churches in Raleigh. Every student is allowed to attend the church for which she has a preference. The first two Sundays after school opens, the students are allowed to visit different churches of their denomination. After that they must fully decide what church they prefer to attend regularly.

PHYSICAL EDUCATION

From the middle of October until Field Day in May, regular gymnasium exercises are required of all students except Seniors, for two hours each week. Those attaining the greatest efficiency throughout the year are awarded honors on Field Day.

Any girl who is interested in walking is urged to become a member of the "Hikers Club." Any student who walks six hundred miles receives an "M"; for five hundred miles an "M. C."

In the coming year, 1925-1926, we are hoping that all girls will take a more active interest in Athletics than ever before, because in the near future we are hoping to take up inter-collegiate athletics, and there's where Meredith must make a "rep"! So, come determined to make the 'varsity team.

THE LITERARY SOCIETIES

The two Literary Societies offer a splendid field for individual activities and development along both social and literary lines.

The purpose of both the Astrotekton and Philaretian Societies is to help students combine their academic work in a practical way

with their social life, and to cultivate an interest in outside and current affairs. Society work offers excellent opportunity for self-expression and expansion.

New members, having relatives who are at present or who were formerly members of either of the two societies, and wishing to be identified with this society, will please file with the listed president of the preferred organization her application for membership by August 15th. Applications filed after this date will be referred to the Inter-Society Committee for consideration.

Both societies are looking forward with pleasure to the coming of the new girls, and extends a cordial welcome and invitation to the Class of '29.

The Twig is the official organ of the student body of Meredith College and is issued weekly. Its purpose is to give expression to the views of

the students through the "Open Forum" column, to reflect the happenings which concern the students by means of the editorials, and to keep the alumnae in closer touch with each other and their Alma Mater through the alumni news. *The Twig* is a member of the North Carolina Collegiate Press Association, deriving great benefit from its contact with other college papers through this medium. *The Twig* needs the coöperation of the student body and must have it if it is to continue to exist and grow.

The Acorn is the literary publication of the College, published once a month by the Philarettian and Astrotektron Literary Societies. It is a product of the student body and represents the highest grade of literary ability of the students. Publication of work is not limited to any

one department, correct, informative, and attractive English being the chief requirement. The work of any classmen or of any department is appreciated and published if it first reaches the standard expected of a college magazine. The purpose of *The Acorn* this year will be to make it read, liked, contributed to, and supported more widely and warmly than heretofore by the entire student body. *The Acorn* wishes to enlarge its vision and its circle of readers, at the same time adhering to a worthy literary standard. The chief means by which it is accomplishing this purpose is through membership in the North Carolina Collegiate Press Association which is doing a fine and active work in promoting the journalistic and literary work of college publications. Each student receives *The Acorn* monthly after payment of the budget fee. It will be mailed to any address upon receipt of the subscription price and address by the business manager. The members of the editorial staff are as follows:

KATIE DAIL.....	<i>Editor-in-Chief</i>
CAROLYN PEACOCK.....	<i>Associate Editor</i>
ELAINE GOODE.....	<i>Business Manager</i>
GENEVA BENTHALL.....	<i>Asst. Business Manager</i>

MADELINE MOORE } BESS THOMAS } MILDRED SHUMAKER }	<i>Sophomore Editors</i>

The Oak Leaves is the college annual, published by the Philaretian and Astrotekton Literary Societies. Unlike *The Acorn*, it is not essentially of a literary nature, but its purpose is to represent every phase of college life, including all the classes, all college and student organizations and clubs, thus aiming to portray our life as it really is. Although each of these phases has its place, the Senior class is correctly accorded the most prominence.

Every girl receives the annual by paying the yearly budget. Anyone else desiring one should make the proper arrangements with the business manager.

ments are eligible, as only academic requirements have to be met.

The Glee Club is directed by Dr. Dingley Brown, head of the Department of Music, and under his leadership is making rapid strides toward vocal perfection among themselves and greater musical appreciation among the student body as a whole.

tion, it affords social life and fellowship among those having similar interests.

THE "MATH" CLUB

Often you hear some student say, "Are you majoring in math?" To an affirmative answer there comes, "Well, you are the craziest person I ever saw." If this is true, this is a club of crazy students who meet together the first Monday of each month to study and discuss the problems and history of mathematics with the goal or arousing a greater interest in the higher courses in this subject. Those students who have finished Math I are eligible for membership, and, too, those who are taking Math I who are especially interested may become associate members.

(Officers to be elected.)

THE COLTON ENGLISH CLUB

The object of this club, as stated in the constitution, is to stimulate and cultivate interest in—

1. Good written and spoken English.
2. Reading of good literature.

All students who are electing or have elected English are eligible to membership. Upper classmen, upon application, may become members if accepted by the club.

Although not organized until the fall of 1922, the English Club has inaugurated many measures for the improvement of both written and oral speech.

During the year 1924-1925 joint meetings with the N. C. State College and St. Mary's Clubs were held monthly. By means of this coöperative plan speakers of note were secured and great pleasure and benefit derived.

ELIZABETH PURNELL.....*President*

ALMA MATER

We salute thee, Alma Mater, we salute thee with
a song,
At thy feet our loyal hearts their tributes lay;
We had waited for thy coming, in the darkness
waited long,
Ere the morning star proclaimed thy natal day.

Thou hast come through tribulation, and thy
robe is clean and white,
Thou art fairer than the summer in its bloom.
Thou art born unto a kingdom, and thy crown
is all of light;
Thou shalt smile away the shadow and the
gloom.

In thy paths the fields shall blossom and the
desert shall rejoice,
In the wilderness a living fountain spring;
For the blind shall see thy beauty, and the deaf
shall hear thy voice,
And the silent tongues their high hozannas sing.

Where the rhododendron blushes on the burly
mountain's breast,
In the midland where the wild deer love to
roam,
Where the water-lily slumbers while the cypress
guards its rest,
Lo, thy sunny land of promise and thy home.

Where the sons of Carolina taught a Nation to
be free,
And her daughters taught their brothers to be
brave;
O'er the land of peaceful plenty, from the high-
lands to the sea,
May thy banner, Alma Mater, ever wave.

R. T. VANN.

STUDENT GOVERNMENT DEPARTMENT

Student Government means all the Meredith girls, with a real Meredith sense of honor, working together to make Meredith the best college possible.

The Honor System is the basis of our policy. This means that in its application to the conduct of its members each girl is to be trusted to observe all the laws of the Student Government Association. These laws are made by the students themselves, and approved by the faculty. As long as a student is a member of the Association it is expected that she feel not only a personal responsibility in abiding by its laws, but a responsibility to the community, seeing to it that her fellow-students live up to the same standard of honor.

It is only through the spirit of coöperation that any system of self-government can rise to an ideal plane of efficiency.

The spirit of the Student Association is the real college spirit, and a loyal student spirit means not only a coöperating student organization, but clean athletics, religious organizations, and working literary societies. The success of any organization in college depends on the attitude of the girls toward the Student Government Association. We must work together for the common good of all before we can work in groups in smaller organizations. The Student Government encourages loyalty to all organizations, promptness in all duties, and a spirit of love and friendship among the girls.

If any girl so conducts herself as to bring discredit upon Meredith, she may be dealt with by the Executive Committee, although there be no existing rule to cover the exact circumstances of the case.

Y. W. C. A.

The Y. W. C. A. is an important unit in the religious life at Meredith. It is affiliated with the National Board of Young Women's Christian Associations and tries to keep in touch with the various organizations of its kind throughout the South. The national objective, which is the ideal of our Y. W. C. A. at Meredith, is: "We unite in the determination to live unreservedly Jesus' law of love in every relationship, and so to know God."

The purpose of our Y. W. C. A. for 1926-27 is to unite the student body, consisting of several denominations, in earnest service for Christ. We welcome every new girl and urge all to join with us in our purpose in order that the Association might effectively fulfill its highest ideal.

Two Sunday evening vesper services each month are devoted to the Y. W. C. A. Those planning the programs strive to make them helpful to each individual.

The cabinet, composed of the members listed below, meets weekly to discuss all problems that

may arise and to devise any scheme possible for promoting higher ideals on our campus.

FOLLOW THE GLEAM

To the knights in the days of old,
Keeping watch on the mountain heights,
Come a vision of Holy Grail;
And a voice through the waiting night:
Follow, follow, follow the gleam,
Banners unfurled, o'er all the world,
Follow, follow, follow the gleam
Of the chalice that is the grail.

And we who would serve the King,
And loyally him obey,
In the consecrate silence know
That the challenge still holds today:
Follow, follow, follow the gleam,
Standards of worth o'er all the earth,
Follow, follow, follow the gleam
Of the light that shall bring the dawn.

OUR Y. W. A. AT MEREDITH

The Y. W. A. of Meredith College is just like the Y. W. A. of your home church, except that it works on a larger scale. This organization welcomes you to Meredith College wholeheartedly. She wants you to become a live part of her aims and ideals. Let your relationship to your College Y. W. A. be merely a transitional step from the one you love in your home church.

The Y. W. A. wishes to help Meredith girls to be of greater service not only to the Baptists of North Carolina, who have so nobly made Meredith's past a blessing and are striving to make her future a greater blessing, but also to the people of the world, with the coöperation of

every girl and with God as our Shepherd this will not remain a longing, but will become a reality.

We have found the circle plan very effective since it enables us to reach each girl and enlist them in definite work.

Two Sunday night vesper services a month are given under auspices of the Y. W. A. and each of these meetings have a devotional service and by a definitely planned missionary program.

Baptist girls have an opportunity to continue giving to the special interests of her denomination, such as Orphanage, Lottie Moon Christmas Offering, and Hospital. A special interest of the Y. W. A. is its participation in contributing to the "Sisterhood Special," a fund given by the College Y. W. A.'s of our Southland to help worthy and capable European girls to study at our own W. M. U. Training School, that they may go back to their own people prepared to give themselves with their Message. Interesting mission study classes are held at a convenient time during the year and each girl is urged to take advantage of this opportunity. We take an active part in a Good-Will-Center in one of the nearby mill districts of Raleigh. For the past three years our Meredith Y. W. A. has attained the Standard of Excellence, becoming an A-1 College Y. W. A. For 1926-27 our tasks are big and definite, our aims are high. We shall count on each Meredith girl to do her part in making their completion and realization possible. "He shall be our Shepherd and He shall lead us."

B. Y. P. U.

The purpose of the B. Y. P. U. is twofold: to minister to and develop the spiritual nature of the girls, and to train them for active service in their home churches. Through the B. Y. P. U. they are trained in devotion, doctrine, Bible study and missions. Thus, they come to a better understanding of denominational work, and go back to their work with added efficiency.

Only a few years ago Meredith had no B. Y. P. U. organization. In '25 there were four Unions, while during the past year the number has increased to eight. We are hoping before the end of the 1927 session to have at least ten wide-awake B. Y. P. U.'s on the campus.

Each Union has its separate meeting every Wednesday night, for 45 minutes, after which all come together for 15 minutes in the chapel for General Assembly. Thus each girl has a chance to grow individually in her own Union, and yet, all are linked together in the general organization. The foremost aim of the organization is to enlist every girl on the campus in active work for Jesus Christ and to strive to maintain the standard of excellence.

THE FOREIGN MISSION BAND

The Foreign Mission Band consists of students who have decided definitely to do mission work in foreign fields, and have signed the dedication card of the Student Volunteer Movement, which reads as follows: "It is my purpose, if God permits, to become a foreign missionary." The movement, as the name implies, is limited to students, and to such students as are planning to do foreign mission work.

The Band has one meeting each week, on Friday evening, from 6:45 to 7:45, to discuss current mission news and problems. Occasionally an outside person speaks to the volunteers.

We are looking forward with real joy and hearts full of prayer to the arrival of the class of '30 at Meredith. Our supreme desire is that He, the Great Missionary, shall call many to carry His gospel to the uttermost parts of the earth, and that they shall answer: "Here am I, Lord, send me."

HOME MISSION BAND

The Home Mission Band is composed of students who are planning to do home mission work of any kind in the future. No pledge is required of the members. The Band holds weekly meetings, at which the members discuss topics and problems pertaining to home mission work. During the year several mission books are read, and practical work in social service is carried on.

Last year the Band corresponded with similar organizations in the other colleges of the State, and, with their help and that of Dr. Maddry, who is greatly interested in the project, we hope to be able in the near future to unite all the home mission workers under a State movement corresponding to that of the Foreign Mission Volunteers. We are awaiting the arrival of the new students with eagerness and a prayer that many of them will join with us, and help in the glorious task of bringing Christ into the lives of many of our own people who are yet unsaved.

WHY YOU SHOULD JOIN THE YOUNG WOMAN'S CHRISTIAN ASSOCIATION

To you who are entering College this fall for the first time, let us say a few words about why you should join the Y. W. C. A.

In the first place, you should begin your College life by identifying yourself with the Christian work of the school, for in this way you are brought under the best influences of the College course.

A girl's character is formed before her College course is ended. In the moulding of your character, do you wish to leave out Christ? Be sure, then, that you join the Y. W. C. A. at the beginning of your course, and thereby seize the opportunity for the development of your spiritual life.

You need spiritual inspiration as well as intellectual inspiration.

You are given a wonderful opportunity for serving Christ by winning for Him the lives of those who have never known Him.

In joining the Y. W. C. A. you are becoming a part of a world-wide student movement, which has for its members the strongest and most earnest students all over the world.

"HINTS TO THE WISE"

Come early and avoid the rush.

The different religious organizations on our campus are uniting in welcoming you to Meredith. Look out for Meredith B. S. U. badges at the station.

Notify authorities of College if you come on a night train, so that arrangements may be made for some one to meet you.

Listen for the call of the night watchman, if you come on a night train.

Register as soon as possible after you arrive.

After you register go to Information Bureau for any information.

Those wearing the above signified badges will gladly give you any assistance they can during the days of classification.

Writing materials and all such incidentals may be purchased at the "Y" Store.

Ask the former students any time. They are always anxious to help you.

Bring pillow cases, sheets, blankets, dresser and table covers with you. Your material for curtains had best be bought here, so you will have no trouble in fitting your windows. But this is not all. Every college girl wants an attractive room. So bring your sofa cushions, pictures, mottoes, and all those little fixings which add so much to a room. Remember that you will be here for nine months, and you certainly will enjoy life more in a cheerful room.

Somebody is more homesick than you are. Try to forget that you are lonely and do something for that other girl.

The official bulletin board, in the Library building, near Dr. Brewer's office, and the B. S. U. bulletin board, at the entrance of A Dormitory, are very important. Watch them.

Remember to patronize the firms that advertise in our publications. "Turn about is fair play."

The Library is quiet for study. If you talk, it misses its purpose.

The Y. W. C. A. room is the social room on first floor of B Dormitory. You are always welcome there.

When you want to cook, go to kitchenette on first floor in your dormitory.

CHURCHES

There are Baptist, Methodist, Presbyterian, Episcopal, Catholic, Christian, and Lutheran churches in Raleigh. Every student is allowed to attend the church for which she has a preference. The first two Sundays after school opens, the students are allowed to visit different churches of their denomination. After that they must fully decide what church they prefer to attend regularly.

New girls, we welcome you. We need you in all phases of sport life on the campus. Come prepared to help make the physical side of life at Meredith exactly what it should be. At the beginning of the year the members of each class may sign up for the sport they are most interested in—basketball, tennis, baseball, volley ball, hiking, etc., and it is to be expected that they do their best to make their field the most successful on the campus.

BASKETBALL

Each class has a team and inter-class games are played for the championship. The winning team is awarded a loving cup.

SCHEDULE

Juniors vs. Freshmen.....	February 21-26
Seniors vs. Sophomores.....	March 1-5
Finals.....	March 14-19

The five best players in school receive monograms and compose the varsity team.

TENNIS

The tennis tournaments are played on the same plan as basketball—between classes. Those on the championship team receive monograms.

SCHEDULE

Juniors vs. Freshmen.....	April 28
Seniors vs. Sophomores.....	May 3
Final	May 10

PHYSICAL EDUCATION

From the middle of October until May Day, regular gymnasium exercises are required of all students, except Seniors, for two hours each week.

Any girl who enjoys hiking is urged to walk for a monogram. Those who walk six hundred miles receive an "M"; five hundred miles an "M. C."

In the coming year, 1926-27, we are hoping that all girls will take a more active interest in athletics than ever before, because in our new site there is ample room for many different sports, and we are hoping to make each rank with the best.

THE LITERARY SOCIETIES

The two literary societies offer a splendid field for individual activities and development along both literary and social lines.

The purpose of both the Astrotekton and Philaretian societies is to help students to combine academic work in a practical way with their social life, and to cultivate an interest in outside and current affairs. Society work offers excellent opportunity for self-expression and expansion.

Each new girl may join the society of her choice, after having become acquainted with the activities and members of both societies. The keenest competition is in evidence until the date of choosing, which is some time before the first of October.

Both societies are looking forward with pleasure to the coming of the new girls, and extend a cordial welcome and invitation to the class of '30.

The Twig is the official organ of the student body of Meredith College and is issued weekly. Its purpose is to give expression to the views of the students through the "Open Forum" column, to reflect the happenings which concern the students by means of the editorials, and to keep the alumnae in closer touch with each other and their Alma Mater through the alumni news. *The Twig* is a member of the North Carolina Collegiate Press Association, deriving great benefit from its contact with

other college papers through this medium. *The Twig* needs the coöperation of the student body and must have it if it is to continue to exist and grow.

The Acorn is the literary publication of the College, published once a month by the Philare-tian and Astrotekton Literary Societies. It is a product of the student body and represents the highest grade of literary ability of the stu-dents. Publication of work is not limited to any one department, correct, informative, and at-tractive English being the chief requirement. The work of any classmen or of any depart-ment is appreciated and published if it first reaches the standard expected of a college maga-zine. The purpose of *The Acorn* this year will be to make it read, liked, contributed to, and supported more widely and warmly than here-tofore by the entire student body. *The Acorn* wishes to enlarge its vision and its circle of

readers, at the same time adhering to a worthy literary standard. The chief means by which it is accomplishing this purpose is through membership in the North Carolina Collegiate Press Association, which is doing a fine and active work in promoting the journalistic and literary work of college publications. Each student receives *The Acorn* monthly after payment of the budget fee. It will be mailed to any address upon receipt of the subscription price and address, by the business manager. The members of the editorial staff are as follows:

<i>Editor</i>	MARY HERRING
<i>Assistant Editor</i>	PAIGE LEONARD
<i>Business Manager</i>	MADALINE MOORE

The Oak Leaves is the college annual, published by the Philaretian and Astrotekton Literary Societies. Unlike *The Acorn*, it is not essentially of a literary nature, but its purpose is to represent every phase of college life, including all the classes, all college and student organizations and clubs, thus aiming to portray our life as it really is. Although each of these phases has its place, the Senior class is correctly accorded the most prominence.

Every girl receives the annual by paying the yearly budget. Anyone else desiring one should make the proper arrangements with the business manager.

GLEE CLUB

The Meredith Glee Club was organized in the fall of 1919 and since has become an integral part of College life through its noteworthy success. It is composed of twenty of the best voices in the school. Students from all departments are eligible, as only academic requirements have to be met.

The Glee Club is directed by Dr. Dingley Brown, head of the Department of Music, and under his leadership is making rapid strides toward vocal perfection among themselves and greater musical appreciation among the student body as a whole. Officers are as follows:

MARGUERITE HARRISON.....	<i>President</i>
MILDRED BROCKWELL.....	<i>Business Manager</i>
EVELYN RHEA WOOD.....	<i>Secretary</i>
VIRGINIA BRANCH.....	<i>Treasurer</i>
LORENE WOODY.....	<i>Librarian</i>

THE INTERNATIONAL RELATIONS CLUB

The International Relations Club meets the need of the students for a more thorough study and discussion of international problems and relations of the present day. Any students who are taking elective courses in history are eligible for membership. The club meets once a month and has as its adviser Professor Riley, head of the History Department.

The officers for the year 1926-27 are:

LENA COVINGTON.....	<i>President</i>
MARGARET LASSITER.....	<i>Secretary-Treasurer</i>

CLASSICAL CLUB

The Classical Club was organized in September, 1921, to fill a long-felt need among the students especially interested in Latin and Greek. Its purpose is to supplement the work of the classroom, adding things of vital interest to those pursuing a classical education. In addition, it affords social life and fellowship among those having similar interests.

Students taking advanced work in Latin and those electing Greek are eligible for membership in the club. Other students, upon a recommendation from teachers in the department, may be invited to become members also.

THE "MATH" CLUB

Often you hear some student say, "Are you majoring in math?" To an affirmative answer there comes, "Well, you are the craziest person I ever saw." If this is true, this is a club of crazy students who meet together the first Monday of each month to study and discuss the problems and history of mathematics with the goal of arousing a greater interest in the higher courses in this subject. Those students who have finished Math I are eligible for membership, and, too, those who are taking Math I who are especially interested may become associate members.

(Officers to be elected.)

THE COLTON ENGLISH CLUB

The Colton English Club was organized in the fall of 1922. The object of this club, as stated in the Constitution, is to stimulate and cultivate interest in good written and spoken English and in the reading of good literature.

Membership is restricted to those electing English courses. Eligible students must apply for membership and their application must be voted on by the club. During the year 1925-26 joint meetings with the N. C. State College Club were held monthly. By means of this coöperative plan speakers of note were secured and great pleasure and benefit derived.

RUBY DAVIS	<i>President</i>
RUTH BEST	<i>Vice-President</i>

(Other officers to be elected at the beginning of the year.)

HOME ECONOMICS CLUB

The Home Economics Club is composed of those who are especially interested in Home Economics. All students who have taken or who are taking work in the Home Economics Department of the College are eligible for membership.

The object of this club is to stimulate interest in the study of Home Economics. It affords social life and fellowship among those having similar interests.

Alma Mater

We salute thee, Alma Mater, we salute thee with
a song;

At thy feet our loyal hearts their tribute lay;
We had waited for thy coming, in the darkness
waited long,

Ere the morning star proclaimed thy natal day.

Thou hast come through tribulation, and thy
robe is clean and white!

Thou art fairer than the summer in its bloom.
Thou art born unto a kingdom, and thy crown
is all of light;

Thou shalt smile away the shadow and the
gloom.

In thy path the fields shall blossom and the
desert shall rejoice,

In the wilderness a living fountain spring;
For the blind shall see thy beauty, and the deaf
shall hear thy voice,

And the silent tongues their high hosannas
sing.

Where the rhododendron blushes on the burly
mountain's breast,

In the midland where the wild deer love to
roam,

Where the water-lily slumbers while the cypress
guards its rest,

Lo! thy sunny land of promise and thy home.

Where the sons of Carolina taught a Nation to
be free,

And her daughters taught their brothers to
be brave;

O'er a land of peaceful plenty, from the high-
lands to the sea,

May thy banner, Alma Mater, ever wave!

Student Government Department

Student Government means all the Meredith girls, with a real Meredith sense of honor, working together to make Meredith the best college possible.

The Honor System is the basis of our policy. This means that in its application to the conduct of its members each girl is to be trusted to observe all the laws of the Student Government Association. These laws are made by the students themselves, and approved by the Faculty. As long as a student is a member of the Association it is expected that she feel not only a personal responsibility in abiding by its laws, but a responsibility to the community, seeing to it that her fellow-students live up to the same standard of honor.

It is only through the spirit of coöperation that any system of self-government can rise to an ideal plane of efficiency.

The spirit of the Student Association is the real college spirit, and a loyal student spirit means not only a coöperating student organization, but clean athletics, religious organizations, and working literary societies. The success of any organization in college depends on the attitude of the girls toward the Student Government Association. We must work together for the common good of all before we can work in groups in smaller organizations. The Student Government encourages loyalty to all organizations, promptness in all duties, and a spirit of love and friendship among the girls.

2. To study the problems of the college community and to suggest solutions for the same.
3. To consider the constitution of all organizations arising in the student body, and to pass upon those whose purpose shall be of benefit to the student body; and to classify them according to their importance and relation to other college activities.

Student Regulations

The following regulations have been adopted to govern college life at Meredith because they embody recognized social obligations and standards and express the will of the majority as to rules under which they can best live together. Each member of the Student Government Association is therefore bound to uphold them as long as they stand. It is understood that the maintenance of these regulations is a matter of personal honor.

Students are under the college regulations from the time they reach Raleigh until they take the train to leave Raleigh, or until they have received permission from the Dean of Women to visit in the city at Christmas vacation or at the close of the session.

If any girl so conducts herself as to bring discredit upon Meredith, she may be dealt with by the Executive Committee, although there be no existing rule to cover the exact circumstances of the case.

15. An absence from any College duty just preceding or following a holiday will mean more than an unexcused absence and will be acted upon by the Faculty.

2. Under no circumstances do proctors excuse students; therefore, do not make such requests of them. Make these requests of the Head Proctor.

3. Under all ordinary conditions students will practice at their regular time. If any one wishes to substitute some other hour, the permission of the Head Proctor must be obtained before the change is made; *otherwise, the absence will not be excused.* Practice may not begin before 6:45 a.m.

Four unexcused absences from practice during any quarter causes loss of privileges for a month for those practicing three or more hours a day.

In all cases two tardies count as one absence; leaving practice rooms without permission for visiting or other purposes will count as a tardy.

LIBRARY REGULATIONS

During the College year the Library is open daily, except Sundays, from 8:30 a.m. to 6:00 p.m., and 7:00 to 10:00 p.m.

Students may borrow general books for two weeks, or for a shorter period, determined by the demand for the book. At the expiration of two weeks books may be renewed for one week, provided that they are not needed by other persons. Books of fiction may be taken out for one week, and renewed for three days. Any book may be recalled by the librarian when needed in the Library.

Books must not be taken from the Library until they have been charged at the desk. All books taken out of the Library must be returned to one of the Library assistants or left on the desk.

A fine of two cents per day will be charged for each day that a general book is kept out overtime.

Reserved books are books that are kept in the Library for the use of special classes. On account of their special use reserved books may be taken out only when the Library is closed, and must be returned promptly when the Library opens.

A fine of ten cents an hour or fraction thereof will be charged for each hour a reserved book is kept out overtime.

Fines not paid within a week from the date the fine list is posted will be increased ten per cent for each week the fine remains unpaid.

Students are not to go to the reserve shelves, but must call at the desk for books wanted. If you know that a book is reserved, you should call for it by the author and title of the book and name the course in which it is assigned, for example, Edman's Human Traits, Sociology. Only one reserve book may be taken to use in the room at one time, because we have so few books. Do not keep a reserve book after you finish using it. Someone may be waiting for it.

Two taps of the bell indicate that all reserve books are to be returned to the desk at once. Three taps of the bell, that students are to leave the Library. The bell is tapped three times five minutes before the end of the period preceding chapel; twice at fifteen minutes before closing time, and three times five minutes before closing time. This is done in order to get the desk cleared before chapel, and to get reserved books ready to go out at closing time.

Students found with missing Library books in their possession will be subject to a penalty of two demerits for the first offense, and five demerits if the offense is repeated.

Students mutilating Library books, magazines, or papers, will be penalized by the Faculty on recommendation of the Library Committee.

Students creating disorder or disturbance in the Library will be subject to call downs for each offense.

Y.W.C.A.

The Y. W. C. A. is an important unit in the religious life at Meredith. It is affiliated with the National Board of Young Women's Christian Associations and tries to keep in touch with the various organizations of its kind throughout the South. The national objective, which is the ideal of our Y.W.C.A. at Meredith, is: "We unite in the determination to live unreservedly Jesus' law of love in every relationship, and so to know God."

The purpose of our Y.W.C.A. for 1927-28 is to unite the student body, consisting of several denominations, in earnest service for Christ. We welcome every new girl and urge all to join with us in our purpose in order that the Association may effectively fulfill its highest ideal.

Two Sunday evening vesper services each month are devoted to the Y. W. C. A. Those planning the programs strive to make them helpful to each individual.

The cabinet, composed of the members listed below, meets weekly to discuss all problems that may arise and to devise any scheme possible for promoting higher ideals on our campus.

Follow the Gleam

To the knights in the days of old,
Keeping watch on the mountain heights,
Come a vision of Holy Grail;
And a voice through the waiting night:
Follow, follow, follow the gleam,
Banners unfurled, o'er all the world,
Follow, follow, follow the gleam
Of the chalice that is the grail.

And we who would serve the King,
And loyally him obey,
In the consecrate silence know
That the challenge still holds today:
Follow, follow, follow the gleam,
Standards of worth o'er all the earth,
Follow, follow, follow the gleam
Of the light that shall bring the dawn.

SUNDAY SCHOOL DEPARTMENT

The purpose of the Sunday School Department on the Meredith campus is threefold.

1. It seeks to create more interest in Sunday School work among the girls.

2. It aims to uphold the standards of the Southern Baptist Convention.

3. It seeks to correlate the work of the Meredith Sunday School classes in the different churches attended by the Meredith girls.

It is not the desire of the Sunday School Department to take the work from the churches, but rather to create more interest in the training school of the church.

The Y.W.A. of Meredith College is just like the Y.W.A. of your home church, except that it works on a larger scale. This organization welcomes you to Meredith College wholeheartedly. She wants you to become a live part of her aims and ideals. Let your relationship to your College Y.W.A. be merely a transitional step from the one you love in your home church.

The Y.W.A. wishes to help Meredith girls to be of greater service not only to the Baptists of North Carolina, who have so nobly made Meredith's past a blessing and are striving to make her future a greater blessing, but also to the people of the world. With the coöperation of every girl and with God as our Shepherd, this will not remain a longing, but will become a reality.

We have found the circle plan very effective, since it enables us to reach each girl and enlist her in definite work.

Two Sunday night vesper services a month are given under auspices of the Y.W.A. and each of these meetings has a devotional service and a definitely planned missionary program.

Baptist girls have an opportunity to continue giving to the special interests of their denomination, such as Orphanage, Lottie Moon Christmas Offering, and Hospital. A special interest of the Y.W.A. is its participation in contributing to the "Sisterhood Special," a fund given by the College Y.W.A.'s of our Southland to help worthy and capable European girls to study at our own W.M.U. Training School, that they may go back to their own people prepared to give themselves with their message, Interesting

mission study classes are held at a convenient time during the year and each girl is urged to take advantage of this opportunity. We take an active part in a Good-Will Center in one of the nearby mill districts of Raleigh. For the past three years our Meredith Y.W.A. has attained the Standard of Excellence, becoming an A-1 College Y.W.A. For 1927-28 our tasks are big and definite, our aims are high. We shall count on each Meredith girl to do her part in making their completion and realization possible. "He shall be our Shepherd and He shall lead us."

B. Y. P. U.

The purpose of the B.Y.P.U. is twofold: to minister to and develop the spiritual nature of the girls, and to train them for active service in their home churches. Through the B.Y.P.U. they are trained in devotion, doctrine, Bible study and missions. Thus they come to a better understanding of denominational work, and go back to their work with added efficiency.

Only a few years ago Meredith had no B.Y.P.U. organization. In '25 there were four Unions, while during the past year the number has increased to eight. We are hoping before the end of the 1928 session to have at least eleven wide-awake B.Y.P.U.'s on the campus.

Each Union has its separate meeting every Wednesday night, for 45 minutes, after which all come together for 15 minutes in the Chapel for General Assembly. Thus each girl has a chance to grow individually in her own Union, and yet, all are linked together in the general organization. The foremost aim of the organization is to enlist every girl on the campus in

active work for Jesus Christ and to strive to maintain the standard of excellence.

THE FOREIGN MISSION BAND

The Foreign Mission Band consists of students who have decided definitely to do mission work in foreign fields, and have signed the dedication card of the Student Volunteer Movement, which reads as follows: "It is my purpose, if God permits, to become a foreign missionary." The movement, as the name implies, is limited to students, and to such students as are planning to do foreign mission work.

The Band has one meeting each week, on Friday evening, from 6:45 to 7:45, to discuss

current mission news and problems. Occasionally an outside person speaks to the volunteers.

We are looking forward with real joy and hearts full of prayer to the arrival of the class of '31 at Meredith. Our supreme desire is that He, the Great Missionary, shall call many to carry His gospel to the uttermost parts of the earth, and that they shall answer: "Here am I, Lord, send me."

HOME SERVICE BAND

If you are planning to do Christian work of any kind in any place, we need you and you need us! We study and discuss every phase of religious activities in the Baptist denomination: Sunday School work, church work, work among foreigners and people of other races, work in the hospitals, mill districts, mountains and industrial centers; in fact, the preservation of lives and saving of souls of all people and in all conditions.

Besides the interesting programs, discussions, and an occasional talk from a speaker outside, we carry on practical work of social service among families in the county. This is of great help in training us for future work.

The Band meets twice each month. At these meetings the problems of home mission work are taken up. No pledge is required of members.

We are eagerly awaiting the arrival of you new students and sincerely hope that many will join us in our researches and discussions. Come help us in our glorious task of bringing Christ into the lives of many of our own people who are yet unsaved!

"HINTS TO THE WISE"

Come early and avoid the rush.

The different religious organizations on our campus are uniting in welcoming you to Meredith. Look out for Meredith B.S.U. badges at the station.

Notify authorities of College if you come on a night train, so that arrangements may be made for some one to meet you.

Listen for the call of the night watchman, if you come on a night train.

Register as soon as possible after you arrive.

After you register, go to Information Bureau for any information.

Those wearing the B.S.U. badges will gladly give you any assistance they can during the days of classification.

Writing materials and all such incidentals may be purchased at the "Y" Store.

Ask the former students any time. They are always anxious to help you.

Bring pillow, pillow cases, sheets, blankets, dresser and table covers with you. Your material for curtains had best be bought here, so you will have no trouble in fitting your windows. But this is not all. Every college girl wants an attractive room. So bring your sofa cushions, pictures, mottoes, and all those little fixings which add so much to a room. Remember that you will be here for nine months, and you certainly will enjoy life more in a cheerful room.

Somebody is more homesick than you are. Try to forget that you are lonely and do something for that other girl.

The official bulletin-board, in the Library building, near Dr. Brewer's office, and the B.S.U. bulletin-board, at the entrance of A Dormitory, are very important. Watch them.

Remember to patronize the firms that advertise in our publications. "Turn about is fair play."

The Library is quiet for study. If you talk, it misses its purpose.

The Y. W. C. A. room is the social room on first floor of A Dormitory. You are always welcome there.

When you want to cook, go to kitchenette on first floor in your dormitory.

CHURCHES

There are Baptist, Methodist, Presbyterian, Episcopal, Catholic, Christian, Disciples, and Lutheran churches in Raleigh. Every student is allowed to attend the church for which she has a preference. The first two Sundays after school opens the students are allowed to visit different churches of their denomination. After that they must fully decide what church they prefer to attend regularly.

New girls, we welcome you. We need you in all phases of sport life on the campus. Come prepared to help make the physical side of life at Meredith exactly what it should be. At the beginning of the year the members of each class may sign up for the sport they are most interested in—basketball, tennis, baseball, volley ball, hiking, etc., and it is to be expected that they do their best to make their field the most successful on the campus.

BASKETBALL

Each class has a team and inter-class games are played for the championship. The winning team is awarded a loving cup.

SCHEDULE

Juniors vs. Freshmen.....	February 14, 21, 28
Seniors vs. Sophomores.....	Feb. 17, 24, March 2
Finals	March 9, 16, 23

The five best players in school receive monograms and compose the varsity team.

TENNIS

The tennis tournaments are played on the same plan as basketball—between classes. Those on the championship team receive monograms.

SCHEDULE

Juniors vs. Freshmen.....	April 24
Seniors vs. Sophomores.....	April 27
Final	May 4

PHYSICAL EDUCATION

From the middle of October until May Day, regular gymnasium exercises are required of all students except Seniors, for two hours each week.

Any girl who enjoys hiking is urged to walk for a monogram. Those who walk six hundred miles receive an "M"; five hundred miles, an "M.C."

In the coming year, 1927-28, we are hoping that all girls will take a more active interest in athletics than ever before, because in our new site there is ample room for many different sports, and we are hoping to make each rank with the best.

THE LITERARY SOCIETIES

The two literary societies offer a splendid field for individual activities and development along both literary and social lines.

The purpose of both the Astrotekton and Philaretian societies is to help students to combine academic work in a practical way with their social life, and to cultivate an interest in outside and current affairs. Society work offers excellent opportunity for self-expression and expansion.

Each new girl may join the society of her choice, after having become acquainted with the activities and members of both societies. The keenest competition is in evidence until the date of choosing, which is sometime before the first of October.

Both societies are looking forward with pleasure to the coming of the new girls, and extend a cordial welcome and invitation to the class of '31.

STUDENT PUBLICATIONS

The Twig is the official organ of the student body of Meredith College and is issued weekly. Its purpose is to reflect the happenings which concern the students by means of the editorials, and to keep the alumnæ in closer touch with each other and their Alma Mater through the alumni news. *The Twig* is a member of the North Carolina Collegiate Press Association, deriving great benefit from its contact with other college papers through this medium. *The Twig* needs the coöperation of the student body and must have it if it is to continue to exist and grow.

The Acorn is the literary publication of the College, published once a month by the Philare-tian and Astrotekton Literary Societies. It is a product of the student body and represents the highest grade of literary ability of the stu-dents. Publication of work is not limited to any one department, correct, informative, and at-tractive English being the chief requirement. The work of any classmen or of any depart-ment is appreciated and published if it first reaches the standard expected of a college mag-azine. The purpose of *The Acorn* this year will be to make it read, liked, contributed to, and supported more widely and warmly than here-tofore by the entire student body. *The Acorn* wishes to enlarge its vision and its circle of readers, at the same time adhering to a worthy literary standard. The chief means by which it is accomplishing this purpose is through membership in the North Carolina Collegiate Press Association, which is doing a fine and active work in promoting the journalistic and literary work of college publications. Each stu-dent receives *The Acorn* monthly after payment of the budget fee. It will be mailed to any ad-dress upon receipt of the subscription price and address, by the business manager. The mem-bers of the editorial staff are as follows:

<i>Editor</i>	BESS THOMAS
<i>Assistant Editor</i>	EVELYN JOLLY
<i>Business Manager</i>	SARAH OLIVER

The Oak Leaves is the College annual, published by the Philaretian and Astrotekton Literary Societies. Unlike *The Acorn*, it is not essentially of a literary nature, but its purpose is to represent every phase of college life, including all the classes, all college and student organizations and clubs, thus aiming to portray our life as it really is. Although each of these phases has its place, the Senior class is properly accorded the most prominence.

Every girl receives the annual by paying the yearly budget. Anyone else desiring one should make the proper arrangements with the business manager.

GLEE CLUB

The Meredith Glee Club was organized in the fall of 1919 and since has become an integral part of college life through its noteworthy success. It is composed of twenty of the best voices in the school. Students from all departments are eligible, as only academic requirements have to be met.

The Glee Club is directed by Dr. Dingley Brown, head of the Department of Music, and under his leadership is making rapid strides toward vocal perfection among themselves and greater musical appreciation among the student body as a whole. Officers are as follows:

DOROTHY TURLINGTON.....	<i>President</i>
CHARLOTTE CURTIS.....	<i>Business Manager</i>
EVELYN RHEA WOOD.....	<i>Secretary</i>
VIRGINIA BRANCH.....	<i>Treasurer</i>
KATHERINE CARTER.....	<i>Librarian</i>

THE INTERNATIONAL RELATIONS CLUB

The International Relations Club meets the need of the students for a more thorough study and discussion of international problems and relations of the present day. Any students who are taking elective courses in history are eligible for membership. The club meets once a month and has as its adviser Professor Riley, head of the History Department.

The officers for the year 1927-28 are:

ALICE LAWRENCE.....	<i>President</i>
MARGARET BROADHURST.....	<i>Secretary-Treasurer</i>

CLASSICAL CLUB

The Classical Club was organized in September, 1921, to fill a long-felt need among the students especially interested in Latin and Greek. Its purpose is to supplement the work of the classroom, adding things of vital interest to those pursuing a classical education. In addition, it affords social life and fellowship among those having similar interests.

Students taking advanced work in Latin and those electing Greek are eligible for membership in the club. Other students, upon a recommendation from teachers in the department, may be invited to become members also.

THE "MATH" CLUB

Often you hear some student say, "Are you majoring in math?" To an affirmative answer there comes, "Well, you are the craziest person I ever saw." If this is true, this is a club of crazy students who meet together the first Monday of each month to study and discuss the problems and history of mathematics with the goal of arousing a greater interest in the higher courses in this subject. Those students who have finished Math I are eligible for membership, and, too, those who are taking Math I who are especially interested may become associate members.

THE COLTON ENGLISH CLUB

The Colton English Club was organized in the fall of 1922. The object of this club, as stated in the Constitution, is to stimulate and cultivate interest in good written and spoken English and in the reading of good literature.

Membership is restricted to those electing English courses. Eligible students must apply for membership and their application must be voted on by the club. During the year 1925-26 joint meetings with the N. C. State College Club were held monthly. By means of this coöperative plan speakers of note were secured and great pleasure and benefit derived.

(Officers to be elected at the beginning of the year.)

HOME ECONOMICS CLUB

The Home Economics Club is composed of those who are especially interested in Home Economics. All students who have taken or who are taking work in the Home Economics Department of the College are eligible for membership.

The object of this club is to stimulate interest in the study of Home Economics. It affords social life and fellowship among those having similar interests.

Alma Mater

We salute thee, Alma Mater, we salute thee with
a song;

At thy feet our loyal hearts their tribute lay;
We had waited for thy coming, in the darkness
waited long,

Ere the morning star proclaimed thy natal day.

Thou hast come through tribulation, and thy
robe is clean and white!

Thou art fairer than the summer in its bloom.
Thou art born unto a kingdom, and thy crown
is all of light;

Thou shalt smile away the shadow and the
gloom.

In thy path the fields shall blossom and the
desert shall rejoice,

In the wilderness a living fountain spring;
For the blind shall see thy beauty, and the deaf
shall hear thy voice,

And the silent tongues their high hosannas
sing.

Where the rhododendron blushes on the burly
mountain's breast,

In the midland where the wild deer love to
roam,

Where the water-lily slumbers while the cypress
guards its rest,

Lo! thy sunny land of promise and thy home.

Where the sons of Carolina taught a Nation to
be free,

And her daughters taught their brothers to
be brave;

O'er a land of peaceful plenty, from the high-
lands to the sea,

May thy banner, Alma Mater, ever wave!

R. T. VANN.

Student Government Department

Student Government means all the Meredith girls, with a real Meredith sense of honor, working together to make Meredith the best college possible.

The Honor System is the basis of our policy. This means that in its application to the conduct of its members each girl is to be trusted to observe all the laws of the Student Government Association. These laws are made by the students themselves, and approved by the Faculty. As long as a student is a member of the Association it is expected that she feel not only a personal responsibility in abiding by its laws, but a responsibility to the community, seeing to it that her fellow-students live up to the same standard of honor.

It is only through the spirit of coöperation that any system of self-government can rise to an ideal plane of efficiency.

The spirit of the Student Association is the real college spirit, and a loyal student spirit means not only a coöperating student organization, but clean athletics, religious organizations, and working literary societies. The success of any organization in college depends on the attitude of the girls toward the Student Government Association. We must work together for the common good of all before we can work in groups in smaller organizations. The Student Government encourages loyalty to all organizations, promptness in all duties, and a spirit of love and friendship among the girls.

Student Regulations

The following regulations have been adopted to govern college life at Meredith because they embody recognized social obligations and standards and express the will of the majority as to rules under which they can best live together. Each member of the Student Government Association is therefore bound to uphold them as long as they stand. It is understood that the maintenance of these regulations is a matter of personal honor.

Students are under the college regulations from the time they reach Raleigh until they take the train to leave Raleigh, or until they have received permission from the Dean of Women to visit in the city at Christmas vacation or at the close of the session.

If any girl so conducts herself as to bring discredit upon Meredith, she may be dealt with by the Executive Committee, although there be no existing rule to cover the exact circumstances of the case.

4. Unexcused absence will entail lowering of grade. Students will arrange with their instructors about making up work missed.

5. Students will receive zeros for cutting the last recitation in subjects before a holiday, and the first day after a holiday.

6. Students may not miss class work or private lessons, or change them from one day to another, to make visits.

15. An absence from any College duty just preceding or following a holiday will mean more than an unexcused absence, and will be acted upon by the Faculty.

REGULATIONS FOR TUTORING

1. Students may tutor only with tutors who have been approved by the Dean and the head of the department.

MUSIC PRACTICE

1. Under all circumstances proctors will mark a student absent if she does not practice during the time assigned her.

2. Under no circumstances do proctors excuse students; therefore, do not make such requests of them. Make these requests of the Head Proctor.

3. Under all ordinary conditions students will practice at their regular time. If any one wishes to substitute some other hour, the permission of the Head Proctor must be obtained before the change is made; *otherwise, the absence will not be excused.* Practice may not begin before 6:45 a.m.

Four unexcused absences from practice during any quarter causes loss of privileges for a month for those practicing three or more hours a day.

In all cases two tardies count as one absence; leaving practice rooms without permission for visiting or other purposes will count as a tardy.

LIBRARY REGULATIONS

During the College year the Library is open daily, except Sundays, from 8:30 a.m. to 6:00 p.m., and 7:00 to 10:00 p.m.

Students may borrow general books for two weeks, or for a shorter period, determined by the demand for the book. At the expiration of two weeks books may be renewed for one week, provided that they are not needed by other persons. Any book may be recalled by the librarian when needed in the Library.

Books must not be taken from the Library until they have been charged at the desk. All books taken out of the Library must be returned to one of the Library assistants or left on the desk.

A fine of two cents per day will be charged

for each day that a general book is kept out overtime.

Reserved books are books that are kept in the Library for special classes. They may be taken out at 9:00 in the evening or as soon thereafter as they are not in use, and must be returned promptly when the Library opens.

A fine of ten cents an hour or fraction thereof will be charged for each hour a reserved book is kept out overtime.

Fines not paid within a week from the date the fine list is posted will be increased ten per cent for each week the fine remains unpaid.

Students are not to go to the reserve shelves, but must call at the desk for books wanted. If you know that a book is reserved, you should call for it by the author and title of the book and name the course in which it is assigned: for example, Edman's Human Traits, Sociology. Only one reserve book may be taken to use in the room at one time, because we have so few books. Do not keep a reserve book after you finish using it. Someone may be waiting for it.

Two taps of the bell indicate that all reserve books are to be returned to the desk at once. Three taps of the bell, that students are to leave the Library. The bell is tapped three times five minutes before the end of the period preceding chapel; twice at fifteen minutes before closing time, and three times five minutes before closing time. This is done in order to get the desk cleared before chapel, and to get reserved books ready to go out at closing time.

Students found with missing Library books in their possession will be subject to a penalty of

two demerits for the first offense, and five demerits if the offense is repeated.

Students mutilating Library books, magazines, or papers, will be penalized by the Faculty, on recommendation of the Library Committee.

Students creating disorder or disturbance in the Library will be subject to call-downs for each offense.

OUR Y.W.A. AT MEREDITH

The Y.W.A. of Meredith College is just like the Y.W.A. of your home church, except that it works on a larger scale. This organization welcomes you to Meredith College wholeheartedly. She wants you to become a live part of her aims and ideals. Let your relationship to your College Y.W.A. be merely a transitional step from the one you love in your home church.

The Y.W.A. wishes to help Meredith girls to be of greater service not only to the Baptists of North Carolina, who have so nobly made Meredith's past a blessing and are striving to make

her future a greater blessing, but also to the people of the world. With the coöperation of every girl and with God as our Shepherd, this will not remain a longing, but will become a reality.

We have found the circle plan very effective, since it enables us to reach each girl and enlist her in definite work.

Two Sunday night vesper services a month are given under auspices of the Y.W.A. and each of these meetings has a devotional service and a definitely planned missionary program.

Baptist girls have an opportunity to continue giving to the special interests of their denomination, such as Orphanage, Lottie Moon Christmas Offering, and Hospital. A special interest of the Y.W.A. is its participation in contributing to the "Sisterhood Special," a fund given by the College Y.W.A.'s of our Southland to help worthy and capable European girls to study at our own W.M.U. Training School, that they may go back to their own people prepared to give themselves with their message. Interesting mission study classes are held at a convenient time during the year, and each girl is urged to take advantage of this opportunity. We take an active part in a Good-Will Center in one of the nearby mill districts of Raleigh. For the past three years our Meredith Y.W.A. has attained the Standard of Excellence, becoming an A-1 College Y.W.A. For 1928-29 our tasks are big and definite, our aims are high. We shall count on each Meredith girl to do her part in making their completion and realization possible. "He shall be our Shepherd and He shall lead us."

B. Y. P. U.

The purpose of the B.Y.P.U. is twofold: to minister to and develop the spiritual nature of the girls, and to train them for active service in their home churches. Through the B.Y.P.U. they are trained in devotion, doctrine, Bible study, and missions. Thus they come to a better understanding of denominational work, and go back to their work with added efficiency.

Only a few years ago Meredith had no B.Y.P.U. organization. In '25 there were four Unions, while during the past year the number has increased to nine. We are hoping before the end of the 1929 session to have at least eleven wide-awake B.Y.P.U.'s on the campus.

Each Union has its separate meeting every Wednesday night, for 45 minutes, after which all come together for 15 minutes in the Chapel for General Assembly. Thus each girl has a chance to grow individually in her own Union, and yet, all are linked together in the general organization. The foremost aim of the organization is to enlist every girl on the campus in active work for Jesus Christ and to strive to maintain the standard of excellence.

THE FOREIGN MISSION BAND

The Foreign Mission Band consists of students who have decided definitely to do mission work in foreign fields, and have signed the dedication card of the Student Volunteer Movement, which reads as follows: "It is my purpose, if God permits, to become a foreign missionary." The movement, as the name implies, is limited to students, and to such students as are planning to do foreign mission work.

The Band has one meeting each week, on Friday evening, from 6:45 to 7:45, to discuss current mission news and problems. Occasionally an outside person speaks to the volunteers.

We are looking forward with real joy and hearts full of prayer to the arrival of the class of '32 at Meredith. Our supreme desire is that He, the Great Missionary, shall call many to carry His gospel to the uttermost parts of the earth, and that they shall answer: "Here am I, Lord, send me."

HOME SERVICE BAND

If you are planning to do Christian work of any kind in any place, we need you and you need us! We study and discuss every phase of religious activities in the Baptist denomination: Sunday School work, church work, work among foreigners and people of other races, work in the hospitals, mill districts, mountains and industrial centers; in fact, the preservation of lives and saving of souls of all people and in all conditions.

Besides the interesting programs, discussions, and an occasional talk from a speaker outside, we carry on practical work of social service among families in the county. This is of great help in training us for future work.

The Band meets twice each month. At these meetings the problems of home mission work are taken up. No pledge is required of members.

We are eagerly awaiting the arrival of you new students and sincerely hope that many will join us in our researches and discussions. Come help us in our glorious task of bringing Christ into the lives of many of our own people who are yet unsaved!

"HINTS TO THE WISE"

Come early and avoid the rush.

The different religious organizations on our campus are uniting in welcoming you to Meredith. Look out for Meredith B.S.U. badges at the station.

Notify authorities of College if you come on a

night train, so that arrangements may be made for some one to meet you.

Listen for the call of the night watchman, if you come on a night train.

Register as soon as possible after you arrive.

After you register, go to Information Bureau for any information.

Those wearing the B.S.U. badges will gladly give you any assistance they can during the days of classification.

Writing materials and all such incidentals may be purchased at the "B-Hive."

Ask the former students any time. They are always anxious to help you.

Bring pillow, pillow cases, sheets, blankets, dresser and table covers with you. Your material for curtains had best be bought here, so you will have no trouble in fitting your windows. But this is not all. Every college girl wants an attractive room. So bring your sofa cushions, pictures, mottoes, and all those little fixings which add so much to a room. Remember that you will be here for nine months, and you certainly will enjoy life more in a cheerful room.

Somebody is more homesick than you are. Try to forget that you are lonely and do something for that other girl.

The official bulletin-board, in the Library building, near Dr. Brewer's office, and the B.S.U. bulletin-board, at the entrance of A Dormitory, are very important. Watch them.

Remember to patronize the firms that advertise in our publications. "Turn about is fair play."

The Library is quiet for study. If you talk, it misses its purpose.

When you want to cook, go to kitchenette on first floor in your dormitory.

CHURCHES

There are Baptist, Methodist, Presbyterian, Episcopal, Catholic, Christian, Disciples, and Lutheran churches in Raleigh. Every student is allowed to attend the church for which she has a preference. The first two Sundays after school opens the students are allowed to visit different churches of their denomination. After that they must fully decide what church they prefer to attend regularly.

THE "B-HIVE"

The "B-Hive" has a short but interesting history. In 1911 the Y.W.C.A. Store (called "Y Store") began its existence in a small box about two feet wide and four feet high. Among its limited goods were stationery, note-book paper, pencils, ink, and candy.

In 1915 the store was slightly enlarged and a few more articles were offered for sale, including cakes and a better grade of candy.

A few years later the goods were removed to an even larger place—an old room near the porch of Old East Building.

Since January, 1926 (when the College was moved to its new site), the "Y Store" has made its home in the little red house back of the chapel. Its supplies have been enlarged until almost anything can be had, from ice cream

and cold drinks to fountain pens and even sugar, cocoa, and soda.

In 1927 the supervision and profits changed from the hands of the Y.W.C.A. to those of the B.S.U. (Baptist Student Union) and the name of the store was changed accordingly from "Y Store" to "B-Hive."

DOROTHY ROWLAND.....	<i>Vice-President</i>
ELIZABETH JAMES.....	<i>Secretary</i>
GRETCHEN CHEEK.....	<i>Treasurer</i>

New girls, the Woman's Athletic Association welcomes you. We need you in all phases of sport life on the campus. Athletics is necessary for health as well as for affording pleasure. The different sports which are open to all—tennis, basketball, volleyball, baseball, track, and hiking—will help you to develop your physique and enjoy yourself. Active membership in the Association is open to all who are regularly registered students, but a total of 85 points is necessary for membership in the Association. There are many ways in which one can gain these points. These can be made in the following way:

<i>Teams</i>	<i>Points</i>
Basketball.....	100
Volleyball.....	100
Track.....	100
Baseball.....	100
Tennis.....	100
Hiking 40 miles a semester.....	25
Hygiene month.....	30
Member of squads.....	25

The purpose of this Association is to develop a high physical efficiency among the students of Meredith College by encouraging an interest in gymnastic, hygienic, and athletic activities. So we urge you to sign up for some of these sports at the beginning of the year, and to help make

Meredith athletics a vital part of the College life. Your interest and effort will be repaid by more vitality and more genuine pleasure, and you will help your class to win distinction. So come to College, register, and then sign up for athletics.

PHYSICAL EDUCATION

Students who are excused from physical education classes on account of physical disability shall be debarred from taking part in any athletics.

From the middle of October until May Day regular gymnasium exercises are required of all students except Seniors, for two hours each week.

Any girl who enjoys hiking is urged to walk for a monogram. Those who walk six hundred miles receive an "M"; five hundred miles, an "M.C."

In the coming year, 1928-29, we are hoping that all girls will take a more active interest in athletics than ever before, because in our new site there is ample room for many different sports, and we are hoping to make each rank with the best.

THE LITERARY SOCIETIES

The two literary societies offer a splendid field for individual activities and development along both literary and social lines.

The purpose of both the Astrotekton and Philaretian societies is to help students to combine academic work in a practical way with their social life, and to cultivate an interest in outside and current affairs. Society work offers excellent opportunity for self-expression and expansion.

Each new girl may join the society of her choice, after having become acquainted with the activities and members of both societies. The keenest competition is in evidence until the date

of choosing, which is some time before the first of October.

Both societies are looking forward with pleasure to the coming of the new girls, and extend a cordial welcome and invitation to the class of '32.

PHILARETIAN SOCIETY

The purpose of the Philaretian Society has been to help the students enjoy themselves and find self-expression in various activities while cultivating the intellectual side of their nature. It connects college life with the life outside, and establishes a closer and more understanding relation between the different units within the College itself. In combining academic work and social life it offers to each girl an opportunity for self-development.

Every student may become a member of the society of her choice—however, the Philaretian Society *hopes* that *you* will care to become one of its large number of members, to work and play together for the pleasure of all.

PHILARETIA

Behold, in shining raiment dressed
She stands; in silence bow,
High honor sits upon her breast;
A white flame blazes in her breast,
And stars upon her brow.

Look up and listen while she speaks,
In solemn tones and slow.
She points to radiant mountain peaks,
Where morn reveals her first grey streaks
To weary souls below.

She calls us to her house of light
Beneath her azure dome:
'Come, daughters, walk with me in white,
Above the glooming realms of night;
Build here your highland home.

'Let Virtue feed her vestal fire
Within each holy fane.
Let fearless Truth, with flaming ire,
Consume the breath of base desire,
And rule without a stain.'

Lead on, O Philaretia fair,
Lead upward day by day,
Thy violet banner in the air,
Thy daughters all will highly dare!
Brave mother, lead the way.

ASTROTEKTON LITERARY SOCIETY

"He builds too low who builds beneath the stars."

Through the spirit of democracy, coöperation, and loyalty that is ever existent in this society; through the efforts to enlarge, to progress, to launch out on greater fields of endeavor and to offer to each member the opportunity to exercise her talents and to enjoy the hearty fellowship that comes from planning and executing plans as a group—the Astrotekton Literary Society hopes to accomplish its purpose—which is to combine in a sane, profitable, yet enjoyable way the academic and social life of its members and to encourage those members to exercise self-expression in a wholesome, inspiring, and jolly manner. To the new girls who are so soon to become a part of us we extend a very hearty welcome and a cordial invitation to join those who choose to "build among the stars" and follow the guidance of our own Mother Astro.

ASTRO SONG

See thy children, Mother Astro,
Sisters of the gold and white,
Bow before thee in thy beauty,
Thankful for thy wondrous light.
Now we bring our girlhood treasures,
And we lay them at thy feet—
Waiting for thy benediction
And thy bidding, always sweet.

Astro, Mother Astro,
From the mountains to the sea,
Astro, Mother Astro,
We have come in love and gladness
To be led by thee.

Now we feel thy hands upon us,
Hands so loving and so strong
That the touch fills every daughter
With a purpose and a song.
Lift your heads, ye Astro maidens,
Look into her starlit eyes,
Then go forth to life and duty
With a zeal that never dies.

Astro, Mother Astro,
With a love that grows not old,
Astro, Mother Astro,
See us rally 'round thy banner,
Dear old white and gold.

STUDENT PUBLICATIONS

The Oak Leaves is the College annual, published by the Philaretian and Astrotekton Literary Societies. Unlike *The Acorn*, it is not essentially of a literary nature, but its purpose is to represent every phase of college life, including all the classes, all college and student organizations and clubs, thus aiming to portray our life as it really is. Although each of these phases has its place, the Senior class is properly accorded the most prominence.

Every girl receives the annual by paying the yearly budget. Anyone else desiring one should make the proper arrangements with the business manager.

The Acorn is the literary publication of the College, published once a month by the Philaretian and Astrotekton Literary Societies. It is a product of the student body and represents the highest grade of literary ability of the students. Publication of work is not limited to any one department, correct, informative, and attractive English being the chief requirement.

The work of any classmen or of any department is appreciated and published if it first reaches the standard expected of a college magazine. The purpose of *The Acorn* this year will be to make it read, liked, contributed to, and supported more widely and warmly than heretofore by the entire student body. *The Acorn* wishes to enlarge its vision and its circle of readers, at the same time adhering to a worthy literary standard. The chief means by which it is accomplishing this purpose is through membership in the North Carolina Collegiate Press Association, which is doing a fine and active work in promoting the journalistic and literary work of college publications. Each student receives *The Acorn* monthly after payment of the budget fee. It will be mailed to any address upon receipt of the subscription price and address, by the business manager. The Twig is the official organ of the student body of Meredith College and is issued weekly. Its purpose is to reflect the happenings which

concern the students by means of the editorials, and to keep the alumnæ in closer touch with each other and their Alma Mater through the alumni news. *The Twig* is a member of the North Carolina Collegiate Press Association, deriving great benefit from its contact with other college papers through this medium. *The Twig* needs the coöperation of the student body and must have it if it is to continue to exist and grow.

GLEE CLUB

The Meredith Glee Club was organized in the fall of 1919 and since has become an integral part of college life through its noteworthy success. It is composed of twenty of the best voices in the school. Students from all depart-

ments are eligible, as only academic requirements have to be met.

The Glee Club is directed by Dr. Dingley Brown, head of the Department of Music, and under his leadership is making rapid strides toward vocal perfection among themselves and greater musical appreciation among the student body as a whole.

THE INTERNATIONAL RELATIONS CLUB

The International Relations Club meets the need of the students for a more thorough study and discussion of international problems and relations of the present day. Any students who are taking elective courses in history are eligible for membership. The club meets once a month and has as its adviser Professor Riley, head of the History Department.

The officers for the year 1928-29 are:

MARGARET JONES.....*President*
ESTHER HONEYCUTT*Secretary-Treasurer*

THE HELEN HULL LAW CLASSICAL CLUB

HESTA KITCHIN.....*President*
EVA WOODALL.....*Vice-President*
PAULINE KITCHIN.....*Secretary-Treasurer*
MATTIE LEE EAGLES.....*Chm. Program Committee*

The Classical Club was organized in September, 1921, to fill a long-felt need among the students especially interested in Latin and Greek. Its purpose is to supplement the work of the classroom, adding things of vital interest to those pursuing a classical education. In addi-

tion, it affords social life and fellowship among those having similar interests.

Students taking advanced work in Latin and those electing Greek are eligible for membership in the club. Other students, upon a recommendation from teachers in the department, may be invited to become members also.

THE "MATH" CLUB

Often you hear some student say, "Are you majoring in math?" To an affirmative answer there comes, "Well, you are the craziest person I ever saw." If this is true, this is a club of crazy students who meet together the first Monday of each month to study and discuss the problems and history of mathematics with the goal of arousing a greater interest in the higher courses in this subject. Those students who have finished Math I are eligible for membership, and, too, those who are taking Math I who are especially interested may become associate members.

THE COLTON ENGLISH CLUB

The Colton English Club was organized in the fall of 1922. The object of this club, as stated in the Constitution, is to stimulate and cultivate interest in good written and spoken English and in the reading of good literature.

Membership is restricted to those electing English courses. Eligible students must apply for membership and their application must be voted on by the club. During the year 1925-26 joint meetings with the N. C. State College Club were held monthly. By means of this coöpera-

tive plan speakers of note were secured and great pleasure and benefit derived.

(Officers to be elected at the beginning of the year.)

HOME ECONOMICS CLUB

The Home Economics Club is composed of those who are especially interested in Home Economics. All students who have taken or who are taking work in the Home Economics Department of the College are eligible for membership.

The object of this club is to stimulate interest in the study of Home Economics. It affords social life and fellowship among those having similar interests.

TOWN GIRLS CLUB

The Town Girls Club was organized in 1928 for the purpose of bringing the town girls into closer relation with the girls on the campus. It also provides a social room, known as the Town Girls Room, in which the girls gather when not in class. Every town student is a member of the club, and we extend a hearty welcome to the new girls.
